

Holiday-themed Kids App To Celebrate Christmas

Melbourne, Australia - In celebration of Christmas, kids app developer has today released an holiday-themed interactive app for children to play and explore. An ideal app for toddlers and children aged up to 3 years old, it includes numerous interactive animations to play around with against a background soundtrack featuring popular Christmas jingles including 'We Wish You a Merry Christmas', 'Jingle Bells' and 'Silent Night'.

The app's main feature is an adorable interactive clock interface on which children can drag the clock hands for the time to be read out. The Christmas countdown function teaches children to count down from 10 to 1, a fun learning experience that can be shared with parents. This app also introduces the concept of night and day with interactive backgrounds.

Available for download on: App Store, Google Play and Amazon Appstore

ABOUT GIGGLEUP

We are a team of designers and developers motivated by the same passion to create quality apps that can be enjoyed by kids and contribute to their learning. Our apps have received awards and recognition from various groups - among them are The Parents' Choice Foundation, Children's Technology Review, The New York Times and The Guardian. Some major areas of early childhood development our apps target include spatial reasoning, problem solving, first words, number literacy, preschool science, and more. All our apps comes fully available in multiple languages. Our voice recordings are produced in-house and are performed by native speakers of the chosen language to ensure the highest quality and accuracy is achieved. We reside in the beautiful city of Melbourne, Australia, where our days are spent working away on the next new app, or enjoying a good cup of coffee.

In time for this magical festive season, Christmas Peekaboo Clock is an interactive app that encourages young minds to learn and explore.
